EXPECT THOUSANDS AT  
METHODIST MEETING

INDIANAPOLIS, Oct. 24.—That the greatest Methodist Episcopal conference ever recorded in history will be held here next week, between Oct. 28 and 29th is the belief of the registration committee which reports that they have been compelled to increase the maximum limit of registrations to 5,000. This increase it is believed, will give the Indiana layman a better chance to attend.

J. Frank Hanly, chairman of the reception committee, has mailed out cards to over 2,000 laymen and ministers who have already registered, informing them of hotels where they can be entertained.

At the big session 80 speakers, selected from among the clergy and laymen of the church will talk. Twenty-one bishops, including Bishop Nuelson, will be among the speakers. One of the big numbers will be at the coliseum at the state fair grounds. However most of the sessions will be held at Tomlinson hall. Every state in the union will be represented, and Indiana will make an effort to have twice as large a representation as any other.

JUDGE FIRES GRAND  
JURY THAT DOES NOTHING

NEWCASTLE, Ind., Oct. 24.—Judge Ed Jackson, of the Henry county circuit court Thursday sent for the grand jury that for three weeks has been investigating the disappearance last March of Katherine Winters, and asked the members if there were any indictments in their hands that were unreturned. On receiving a negative reply he declared the grand jury dismissed, making no further explanation to them that the law provided for such a case.

Later Judge Jackson said that the jury had been at work for three weeks and had uncovered nothing in the Winters case, that had not already been published in the papers, that there was no prospect of its getting additional or tangible information and that it was useless expense to have it sitting from day to day and accomplishing nothing.

WRECK VICTIM IS DEAD

FORT WAYNE, Ind., Oct. 24.—Sidney D. Walters, Pennsylvania brakeman who, with Engineer Bert Flowers, received fatal injuries when their engine went into the ditch at Valparaiso on Monday night, died at 1:30 Wednesday morning in the Valparaiso hospital. Walters was severely scalded about his arms and body by hot water and steam, besides suffering internal injuries. The body was brought to Fort Wayne Thursday. The deceased was twenty-seven years of age and survived by his wife and one child, the latter five years of age.

BANKER MUST SERVE  
HIS TERM IN PRISON

William J. Cummins, former Tennessee drummer, whose conviction by the appellate division on the charge that he was a party to the theft of \$140,000 from the defunct Carnegie Trust company has been confirmed by the New York state court of appeals. As a result of this decision Cummins must serve a term of eight years and six months in state's prison.
